

BRAIN CLOUD (CALVIN S. BENNETT & JOHNNY YOUNG)

**WE'VE TRAVELED SO FAR, WAITED SO LONG, WE LOOK TO THE SKY,
SEARCHING! SEARCHING!**

**BRAIN CLOUD LAID US LOW, BLUE LIGHTS ON OUR EYES, OUR MINDS WERE
MACHINES, THEY'D TORN US APART, WE FORGOT HOW TO DREAM**

**PLEASE NOW LET IT GO, ORANGE DUST COVERS ME, WATCH HOW CITIES GLOW,
THEY FILLED US WITH DREAD AND THEY MADE US DESTROY**

**FLOWERS DANCE IN OUR BRAINS, THEY'VE CALLED US INSANE, SOFT LOVE BABY
BLUE, I'M TUMBLING WITH YOU, ROLL BACK DOWN COUNTRY ROADS**
